

Thank you for participating in our Holiday Gift Barn Program!!

With your help, we can bring joy to families in need during this holiday season. Your generous donation to Holiday Gift Barn will make a real difference for families through the giving and sharing of gifts for children ages newborn to 18 years old.

Spread the holiday spirit with your donation of new gifts and help turn Pickering Barn into a giant toy store where families shop and wrap gifts for their children!

Participating in Holiday Gift Barn is simple and brings so much joy to clients and donors:

- ❖ Donors enjoy shopping for gifts without the pressure of a specific wish list. All our gifts stay local and support Issaquah School District children in need of services
- ❖ Parents choose exactly the right gifts for their children and wrap gifts at the Barn
- ❖ Every child registered will get the same number of gifts, ensuring a fair experience for all customers

Gift drop off days/times:

Monday, December 3, 1:00pm-7:00pm

Tuesday, December 4, 1:00pm-7:00pm
